New Things in Dress Goods

Kinds that are being used by the very best tailors—these are cloths that are coming in our Ready-to-wear Suits and Coats, cloths that are new this year and a little different from last season's styles.

The following will give you an idea as to their kinds, an examination will give you a better idea as to their value. You can very quickly decide whether our prices are right.

Yard goods are the best for several seasons. All-wool goods are very cheap, prices broke the first of the season so that you can now make what is call a satisfactory purchase.

Dress Goods

This is Dress Goods week with us. We have our window full of desirable kinds, the kind that are just now selling best.

Shepherd Plaids are very good for both suits and coats. These come at 25c, 35c and \$1.00 per yard in black and white, also a brown check, all wool at \$1.00. Our special is the 42-inch black and white Shepherd Plaid at 65c per yard.

White Serges come next, these a little later will be so very good that several grades will be hard to get, this will apply more particularly to the weight used for Misses and Ladies' coats.

Fifty-four inch Colored Outings for separate skirts, are in good demand. Our best seller is \$1.50 and the width being so wide that it don't take but a small pattern.

Navy Blue Serge with a hair line of white in a heavy weight makes a pretty coat.

We have a limited quantity of Navy and Black, 64-inch Serge, all sponged and shrunk, ready to make up at \$1.25 per yard.

Dress Goods

With our Dress Goods this season we have Silks in Persian and plain to match nearly all colors and a beautiful line of Trimmings to match these Silks. (Where we have had one piece in seasons past, we have now a half-dozen pieces to match the same color.)

Our idea of the Dress Goods business is to have what the trade want to buy, not what we always would like to sell.

Dress Goods without Trimmings always leave the customer in a bad place. We can help you out this time. If you do not buy your Dress Goods of us we will be just as pleased to sell you your Trimmings.

We have two specials that we want you to see. One is a 42-inch Wool Taffeta at \$1.00, in black, smoke, dark red, myrtle green, navy and old rose. A beautiful cloth, nothing better, \$1.25. The other is a Granite Cloth in navy, dark red, old rose, cadet and reseda, a dollar cloth for 60c per yard.

Curtain Scrim

Curtain Scrims are very, very popular. To get the best assortment is your privilege. To see a good assortment is always more satisfactory.

Plain Scrims in Arabian 18c, in white 20c, also the finer grades in Arabian 25c and 30c, also white same price.

New lot of Arabian Crossbar Scrims at 20c and 25c. These are new and taking well.

Openwork Scrims of the Mexican style in white Arabian and cream at 25c per yard.

Duplex Scrims. These are double printed or printed on both sides, in new patterns at 25c per yard. The style has quite a bit to do with their pretty effect when made into curtains.

For a Choice White Curtain, one that is very pretty and not expensive is made from our 18c White Madras.

Curtain Muslins at 10c and 12 1/2 c per yard, the one at 12 1/2 has a woven figure.

Imported Colored Madras at 50c, 65c, 75c and 87c per yard. (Real Imported Madras.)

You cannot afford to pass our Umbrella sale at one-third off regular price, or our Ladies' Regal Shoes at \$2.00 per pair. Remember that we are this week making a special showing of Lace Curtains
